MISSION STATEMENT

APCM is a growing member of the composite industry, currently striving to bring this highly technical form of manufacturing light weight, high strength material to the open market. Determination and longevity will prevail in this endeavor, APCM began in 1992 with principle members from McCann Manufacturing Co. APCM believes that the epoxy adhesive prepreg industry will benefit greatly from its presence. Our core values will demonstrate this to our customers and will differentiate us from our competitors. These values will orchestrate our growth and ensure our future.

APCM is a cooperative group of individuals concerned with one of the most fundamental aspects of business. Customer Service. Along with cost, quality and timeliness. **To our customers**, we will help you succeed in your endeavors, we will meet or exceed your expectations and we will continually look for new ways to help you. Your success is our success, and our commitment to you will be unsurpassed. **Our Values**, Respect for everyone in our day to day life. Professionalism, a positive mental attitude with actions that reinforce solutions. Integrity, not negotiable and ethics are not situational. Perseverance pays off, give a little, get a little, give a lot, get a lot. Giving more than what is expected. Treat those as you would want to be treated, customers, suppliers, coworkers, family, always have a win-win situation as your goal. Enjoying what we do, brings self satisfaction and enthusiastic living.
